 **Select Authorizing Provider**

Preference List Button

- Click the **Preference List** icon within the Order Entry tab.

The screenshot shows the top navigation bar with tabs: SnapShot, Chart Review, Care Everywhere, Results Review, Flowsheets, Allergies, Problem List, and Order Entry. The Order Entry tab is active and highlighted with a red box. Below the navigation bar, the 'Order Entry' section is visible. On the left, there is a 'Preference List' icon (a list with a magnifying glass) and a 'Dx Association' icon. A red arrow points to the 'Preference List' icon. Below these icons is a search bar with the placeholder text 'Select orders from preference list' and a magnifying glass icon. The user's name 'Family Medicine, Phy' is visible in the bottom right corner.

- Select from the list of categories provided.

The screenshot shows the 'Order Entry' tab with the 'Preference List' icon selected. A dropdown menu is open, showing a list of categories on the left and a list of procedures on the right. The categories listed are: Procedures, Imaging, Radiology Procedures, Neurology, Pulmonary, Referrals, Transfer Center, Blood Transfusion, Wound Care, E-Consults, and Procedures. The 'Imaging' category is highlighted. The procedures listed under 'Imaging' are: JAK2 (V617F) Mutation by ddPCR, Qualitative, X-ray (Procedures : Imaging), Abdomen 2 Vws - Routine, Ancillary Performed, and Ac Joints Bilateral - Routine, Ancillary Performed. The user's name 'Family Medicine, Phy' is visible in the bottom right corner.

- You can also utilize the **New Procedure** field to find the appropriate order.

The screenshot shows the 'Order Entry' tab with the 'Preference List' icon selected. Below the icons, there is a 'New procedure:' field with a search bar. The text 'wrist 2 v' is entered in the search bar. The user's name 'Epiccare Link, Phys' is visible in the bottom right corner.

- Select the **order** of your choice.

The screenshot shows the search results for 'wrist 2 v'. The search bar contains 'wrist 2 v' and a 'Search' button. Below the search bar, there is a table titled 'My Preference List Matches:'. The table has four columns: Name, Type, Pref List, and Resulting Agencies. The matches are:

Name	Type	Pref List	Resulting Agencies
Wrist Bilateral 1-2 Vws	Imaging	UR EPICCARE LINK ORDERS	
X-ray Wrist 1-2 Views Left	Imaging	UR EPICCARE LINK ORDERS	
X-ray Wrist 1-2 Views Right	Imaging	UR EPICCARE LINK ORDERS	

Edit Order Details

Complete the details in the **Edit Order** page.

- Many details will default:
 - Expected Date:** expected time frame the order should be performed.
 - Expires:** places a date of expiration on the order.
 - Class:** Select Mobile Performed for any Mobile Diagnostic orders.
 - “Mobile Performed” is only available for exams that can be performed via the Mobile device. If a **Class** of “Mobile Performed” cannot be, or is not, selected, the order will not be performed using the mobile device.

Wrist Left 2 Vws

Status:

Expected Date: 7/29/2022

Expires: 7/29/2023

Priority: Routine [6]

Class: **Mobile Performed [1002]**

- Identify any special scheduling instructions (i.e. – patient only available in the afternoon, etc.) and/or the patient’s actual location/address in the **Scheduling** and **Comment** sections. These instructions are not intended to replace the need for verbal contact with the Mobile Rad Tech.

Scheduling instructions:

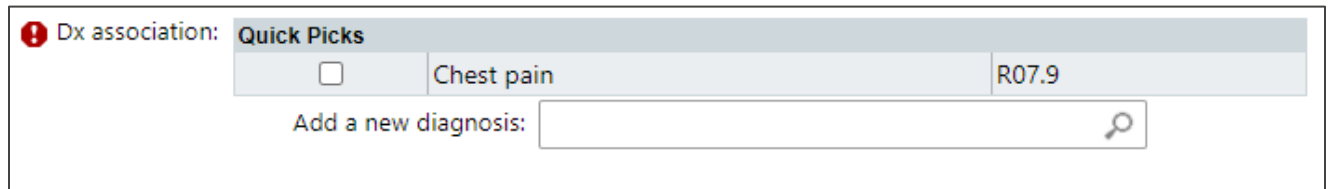

Patient only available in the afternoon.

Comment:

Patient is located in building 1, room 115, bed A.

- Please contact the **Mobile Rad Tech** at **940-867-7029** regarding the patient’s actual location and time estimate on when the study would be performed.

Satisfy all fields with a stop sign such as the **Dx association** section.

Dx association: Quick Picks

☐ Chest pain R07.9

Add a new diagnosis:

- When placing a diagnosis, Epic may ask you to be more specific.
 - You might see a **Pick a Billable Diagnosis** pop up.
 - Continue to give additional details until you see a Resolved banner. **Click Accept.**
- **Click Accept** then **Click Sign Orders.**
