

Physicians Portal for MAC users

When MAC users connect to the Physicians Portal website <https://urportal.unitedregional.org> they will need to check the box that says **Workplace Lite (MAC users need to check this Box)** as shown here. They can use Safari, Chrome, or Firefox.

The screenshot shows the login interface for the United Regional Portal. At the top left is the 'unitedregional' logo, and to its right is the text 'United Regional Portal'. The main content area is titled 'Please log in' and includes the instruction 'Log in here to establish a secure connection to your network resources.' Below this, there are fields for 'Log in to:' (set to 'URHCS'), 'Username:', and 'Password:'. Two checkboxes are present: 'WorkPlace Lite (Mac Users need to check this box) ?' and 'Change password ?'. A red arrow points to the first checkbox. A 'Log in' button is located below the checkboxes. The footer contains the copyright notice '© 2019 SonicWall Inc.'
